### ACC charges are the same as a standard consult (as above)

Our system covers the additional time involved with ACC appointments, as they generally require more follow up time to complete paperwork and reports than regular consults.

### Did not attend charge (DNA charge) \$40

If patient cancels less than 1 hour before consult or does not attend.

### Visitors / Non-funded patients - GP consult \$120 (20 minutes). Casual Script - \$60

(Additional time may be charged if needed (at \$60/10mins), as well as consumables)
